The ladies of [ONE SHOT Survivors](#) are organizing a meal for the family of Jalen Johnson after his funeral on Saturday. Jalen was killed last Thursday night. Jalen's mother passed away in 2008, so his grandmother was raising him near 31st and Boulevard in our neighborhood. Jalen was a student at Tech High School and got into a fight, then the others retaliated and shot him. Feel free to contribute food or other donations through the MLKCC for his grandmother and family.
