If you can't tell, we're very grateful for the donations of time, money and talent this semester to make our after school activities a success. Without you, it would not be possible for all of our children to advance to the next grade level!!! We can't wait to see how they grow through the Summer and into the next School year. Thanks again!

We have filled all 60 slots for our Summer Enrichment Program, that starts June 13th! However, we are still recruiting volunteers for our **Read to Lead** activities each morning! Volunteers are needed in 30-60 minutes shifts - bring your favorite books or

leader in the community! Contact us at
